# Here I Am, Lord

For Medium High Vocal Solo and Accompaniment

Arranged by  
JACK SCHRAEDER

Words and Music by  
DANIEL L. SCHILLER

Very legato and steady (♩ = 64)

1 I, the Lord of sea and sky, I have loved my people; my, All who dwell in  
2 I, the Lord of snow and rain, I have borne my people's pain, I have wept for  
dust and sin my hand will reach, I, who made the stars of night  
love of them they turn a - way, I will speak their hearts of steel.

I will make their darkness bright, Who will bear my light to them? Whom shall I  
give them hearts for love and faith, I will speak my word to them, Whom shall I

# Twinkle, Twinkle, Little Star

Twinkle, twinkle, little star,  
How I wonder what you are.  
Up above the world so high,  
Like a diamond in the sky.  
Twinkle, twinkle, little star,  
How I wonder what you are

When the blazing sun is gone,  
When he nothing shines upon,  
Then you show your little light,  
Twinkle, twinkle, all the night.  
Twinkle, twinkle, little star,  
How I wonder what you are

Then the traveler in the dark  
Thanks you for your tiny spark;  
He could not see which way to go,  
If you did not twinkle so.  
Twinkle, twinkle, little star,  
How I wonder what you are

In the dark blue sky you keep,  
While you thro' my window peep,  
And you never shut your eye,  
Till the sun is in the sky,  
Twinkle, twinkle, little star,  
How I wonder what you are!

The sheet music begins with a blank music team paper composed of graphics that have five lines and four spaces, each of which represents a note. The songwriters who make up songs in the standard musical notation use team role to create scores, which can then be passed to musicians who play the score for a musical performance. Today, making your own score is easier than ever. With notation software such as Finale, or the web-based Noteflight free service, anyone can turn their musical ideas into professional music sheets. Use Noteflight to start (see "Resources"). Noteflight is a free web-based music notation service that allows you to write, print and even save your score as music files for playback. Noteflight has a clean and easy-to-use interface that makes it possible even a beginner to create a music in sheet music. Since then Noteflight allows you to hear what you wrote, you can try different notes until you create something that sounds good even if you are not familiar with the composition of the song. Create a Noteflight account and log in to start creating your score. You can start writing your song immediately. At the top of the page, located in a toolbar, click "New Score" to create a blank music document. Select whether you want your score to be private or shared. Noteflight features a blank music sheet in the C Key with a 4/4 time signature. Click "Edit Title" at the top of your score and enter your music name and click "Edit Composer" and enter your name. Make any changes to your subscription or time signature in the "Score" menu with the "Change time Signature" or "Change key Signature" command. Add notes and remains to your music by clicking on the blank music team. a notehead appears, and you can drag and click where you want the note to appear. you can also oar the floating palette to select different note duration, as you insert your notes, the noteflight will automatically reformat your sheet music to keep the proper number of beats per bar. to listen to what you wrote at any point, go to the play menu and select the playback option you want. print your score when you're done composing your music. the result will be a professional score of your music composition. you can also oar the noteflight to make an audio file of your composition. noteflight allows you to assign real instrument sounds to the appropriate parts. go to file and select export to save your final sheet music as a mp3 a wav file. This allows you to take a recording example for your band. The good news is that the Internet is full of websites where you can search for music, and much of this song is free. Free guitar guides are sent to websites by thousands of users worldwide. On the negative side, this means that some of the free guitar guides are bad. The key is to go to popular websites by presenting free sheet music that vary from good to exceptionally accurate. Like community sites, some of the free guitar score sites have rating systems for users to vote on the guide versions they like. In December 2018, the site has just over 1,100,000 free guitar scores. With such an immense collection of tablature, you can find scores for your favorite songs in different arrangements, versions and even genres. In addition to the user-submitted guides, you can also find official guides, sheet music for bass, ukulele and support tracks for professional users. If you are still in the process of learning to play guitar, this site would be a good place to look for music. Not only does it have tons of free video tutorials that you can watch as per your convenience, but it also features a large collection of free guitar scores that you can download and print. The only problem is that you need to give them a "how" on your social media pages to access some of the guides. However, it is only a small drawback in exchange for free lessons and guides.
